Chapter 1 by Aaron Hartmann

Ah, today I will start a new family on The Sims 4. I will call them the Gold family.

Chapter 2 by TheSparkleEyes

They got that surname for their ability to know the "MOTHERLODE" cheat!

Chapter 3 by Panicking!Pilot

And because of the earning of their surname, they are one of the richest families in the world.

Chapter 4 by SaintSayaka

One of, of course. Not number one. And that angers Harry Gold, patron of the family. I chuckle, watching him waddle around the house as if he is in charge of things. I force his direction

I try to click again. This game glitches all of the time, and I'm expecting it to crash. Should have saved when I had the chance. Damn it. But as it turns out, Harry is not frozen - just the rest of his world. He's marching out the front door, as if he has a purpose. I don't know why, but I'm nervous.

Chapter 5 by Meldoy

His daughter Emma and his son Alex stood frozen on the stairs. Harry walks right past them and goes upstairs slamming the door behind him shut. His tiny little world is still frozen, my game is still crashing. But Harry is still moving and pacing back and forth in his bedroom.

Chapter 6 by SaintSayaka

I try to exit the game. No luck. Now even my cursor is frozen. Harry, on the other hand, is active as ever. He exits the house again, as if he has a destination in mind.

Chapter 7 by Aaron Hartmann

All of a sudden I wake up on my keyboard. I knew Sims 4 wasn't that glitchy. I start playing again and my kids are at school. Harry is watching T.V. and his wife, Sarah, is making grilled cheese. It's about time for the man of the house to get a job. I click on the button. There are many options, Astronaut, Secret Agent, Business, Culinary, Entertainment, etc. I want my guy to be awesome so I choose Secret Agent. My wife will just stay home and cook.

Chapter 8 by Wildstar7

My computer started to blink. What the..... all the sudden the Gold family starts to walk out of my computer. This isn't good. I pinched my self.....

It wasn't a dream.

The Gold family were going to live on our planet Earth.
